

# APPLYING UNASCO THREAD SEAL TAPE IN 4 EASY STEPS

## STEP 1

Clean threads  
on  
fitting/pipe.

**UNASCO**

## STEP 2

Begin one thread  
back from end.  
Wrap tape in  
direction of  
threads.

## STEP 3

Hold tape  
taut while  
wrapping,  
to insure  
tape molds  
into root of  
threads.

## STEP 4

Wrap tape  
securely around  
pipe/fitting 2-3  
times.
